

REMARKS

Claims 2-7 are pending in the present application. Claims 2-7 have been amended. Claim 1 has been cancelled without prejudice.

The Examiner objected to the drawings as failing to comply with 37 CFR 1.84 (p)(5) because they include reference character 52 that was not mentioned in the description. The specification has been amended to correct a typographical error. Cap 52 is described in the specification, thus applicant asserts no drawing correction is necessary. No new matter has been added.

Applicant notes with thanks and appreciation that claim 3 was found to have allowable subject matter if rewritten in independent form. Claim 3 has been so amended. Accordingly, claim 3 is patentable. Claims 2 and 4-7 have been amended to depend from claim 3 accordingly, these claims are patentable.

CONCLUSION

Having obviated the Examiner's objections, the application hereby seeks an early indication of allowance.

Respectfully submitted,

Keith H. Orum
